Subject: Meeting - Appliance Manufacturers [WARNING: SPF validation failed]

I wanted to reach out to you and request a meeting to discuss key issues appliance manufacturers have with EPA, specifically ENERGY STAR and the refrigerant (SNAP) programs. We have CEOs and other senior executives from the entire industry meeting in DC for our Annual Meeting from April 29-May 2. It would be very helpful if we could discuss our issues with you before that. Any time from Tuesday, April 25, to Friday, April 28 would be ideal. Please let me know what I can do to help in this area. Thanks for considering this request.
